We're not entirely sure what Paris is wearing in this shoot, or what the theme for it is, we can only think that it's some kind of Rock DJ vs Space Girl from the future mix. Who cares, I'm sure we're all just appreciating that lovely shaved pussy of hers right now!

## Bukkake Babe

I went to a swingers club last week. What I had in mind was going to leave me knackered, and with the sorest cunt I've ever had! I wanted to get fucked by a whole gang of guys...

I headed straight for the free-for-all room, which is set aside for group sex. I was only alone for a few seconds though as four or five guys followed me in.

I was expecting to get groped and fucked and, as my pussy

was already wet, I invited the guys closer and told them to get their cocks out. The five cocks I was presented with were all already stiff, the dirty bastards.

The men stood in a circle with me, the slut, in the centre. I handled each cock in turn and I felt my top being undone and my tits freed. I could already feel myself getting into the 'sex zone' where anything can happen, and it's usually hot! My skirt was pushed up, but I was concentrating on the cock that I now had in my mouth.

My panties were pretty much ripped off and fingers probed my cunt and arsehole as I worked my way around the wanking guys, sucking them each in turn.

One of them came up behind me, grabbed my tits, and rammed his cock into my snatch! The other guys moved in front of me and I wanked and sucked their cocks while the cock in my cunt pounded away.

The guy pulled out of my cunt, saving his jizz for later, and was replaced by one of the others. I had tunnel vision now

**“Then he pulled out and wanked himself as he spewed jizz all over my bum!”**

and the only way I could tell which cock had been in me was the taste.

That second cock hit the sweet spot though and I came quivering on it, and spluttering on the cock in my mouth!

The guys changed over again, and the third cock started to bang my cunt.

I noticed that a couple of extra guys were in here now, but as there was no room up close, they were hanging back and wanking.

When I came the guys swapped again and a fourth cock slipped into my sloppy snatch. It squelched as he fucked me and I filled my face with dick.

I was tiring now, and also getting ready for a cumshower. The last guy took over fucking me, and I told him that when he was

ready to pull out and cum on my arse. He fucked away, hard and fast, slapping against my bum cheeks. Then he pulled out and wanked himself as he spewed jizz all over my bum.

As the warm liquid began to trickle between my arse cheeks another guy came, this time shooting his spunk into my face, this set another guy off, and he aimed his cock at my tits, then jazzed over them!

The guys who were hanging back came forward now and wanked furiously over my body.

I was left drenched in cum, and feeling filthy – just how I like it! It was then that a woman approached and helped me clean up by licking the jizz off me – obviously a dirty bitch, just like me!

## BARED & SHARED

**H**ubby and I have the most amazing threesomes with his well-hung mate Jon.

Last Sunday they were both in our bedroom. I was on the bed wearing a smile and nothing else.

I was dripping wet with excitement, knowing I was soon going to get a seriously hard fucking. Hubby was rubbing my wet pussy and Jon was sucking on my erect nipples.

Then I sucked both their hard cocks while plunging a dildo in and out of my shaven cunt. I could taste the pre-cum on their cocks and I was dying to be fucked.

Hubby entered me from behind and teased my arsehole with his thumb while I sucked on Jon's cock. I soon had my first orgasm of the night.

Then they swapped positions and I sucked my juices off hubby's cock. Now I was desperate for my favourite act.

I straddled Jon's rock-hard cock and hubby entered my arse. Double penetration – my favourite!

Both men pounded into me at a furious rate, making me cum and cum till I thought I was going to pass out.

I was screaming the house down and begging them not to stop. Both boys were ready to cum. They pulled their cocks out and shot their hot, creamy loads into my mouth and over my face. Perfect!

I then sucked their cocks clean. I now want a woman to join me for sharing their spunk. Would anyone like to get in touch?

*Abbie, Staffs.*

Click-click, bang-bang! Well that was the theme to Nicola and Sophie's photo shoot. No sooner did the camera start flashing than the two of them started finger-fucking each other! "There's nothing hornier than having someone as hot as Nicola sticking her fingers in me and then letting me lick them clean!" Sophie confessed to us.

SAM

Sam, you really don't need to spend all day looking at your pussy in a mirror. We're more than happy to go over it with a fine tooth comb and report back to you. We'd probably want to give it an oral examination too, and just to be thorough we'd like to give it a deep probe with a hard cock. And if you're happy with the out-cum we'd more than happily check out your arse as well.

You know what they say - 'put a dildo in a girl's hand and she's going to find somewhere to put it' - and Summer certainly isn't an exception to this rule, as she so kindly demonstrated to us. "Maybe next time you can find something a bit bigger for me!"

## A WELL HUNG LADY!!!

**“Her tits pressed against my back as she twisted my nips”**

and I was quivering as I was ordered to strip down to my stockings and suspenders.

Then my arms were held aloft using shackles suspended from chains.

At this point the man disappeared. Suddenly two women appeared.

They were dressed in skimpy leather and PVC outfits, their nipples ringed and pierced. The smaller woman was wearing crotchless pants and the other one was sporting a large strap-on dildo.

**F**or a bit of fun, I replied to an advert on a contact site for a 'dominant madame' seeking a 'willing female'.

I was trembling when I read the reply. To my surprise it was from a couple not too far away and about the same age as me.

Enclosed were some photographs of a leather-clad woman, complete with thigh length boots and leather cap.

I plucked up the courage and phoned her up, arranging to meet the following weekend.

My husband was to drop me off and pick me up later.

The weekend finally came around after what seemed like an eternity.

We drove to a large house set back in its own grounds. We were met by a middle-aged man dressed only in a leather pouch. He said his wife Avery was getting ready and would be along later. Then left and said he'd be back to pick me up later.

I was then led down to dark cellar. My heart was thumping

Gently their whips flicked over my defenceless body. I flinched at the noise of the swishing flails. Every so often one blow would be harder, making me cry out.

The smaller woman then sank to her knees and slid three fingers into my now soaking pussy.

Then she used her tongue to lap up the juices from my cunt. As I climaxed, my knees buckled and I was left hanging from my shackles. Avery then ordered me to stand up, before taking up a position behind me.

I could feel her large tits pressing against my back as she put her arms around me and started to pull and twist my erect nipples.

Avery then ordered me to spread my legs ready for her dildo. With one thrust it was inside me.

I screamed aloud. With each

thrust of her hips, the solid dildo went higher and

higher inside me towards my fluttering belly.

The second woman was on her knees, sucking the juices off the dildo between thrusts.

I was crying out again as I came over and over, my legs buckling to leave me hanging by my wrists once more.

Then just as suddenly as they'd entered, the two women left the room. The man came in again to release me.

## STUD YOU LIKE

**A**s a My husband Mark is pushing fifty and can't always keep up with me, so he lets me invite fit young studs home to satisfy both of our desires. I get fucked and Mark takes photos.

Last week I offered a young stud, Patrick, a night of hard fucking if he didn't mind my husband being there with his camera.

He agreed, and the next night he came round to our place. We went into the bedroom and I got on my knees and unbuttoned Patrick's jeans.

I got my mouth round his purple bellend and wanked him off. I cupped his balls with my other hand, occasionally licking and nibbling them.

I started to strip off my clothes, and Mark came in with his camera.

I did a few poses for him, and then when I was naked I got on top of Patrick, shoving my cunt in his face and his cock in my mouth.

He buried his tongue in my wet cunt, making me squirm with pleasure. It wasn't too long before his tongue had my excitable cunt creaming with an orgasm.

Then I turned round and lowered myself onto Patrick's cock, kissing his lips and tasting my cunt-juice. I eased myself right down to his balls.

Then I started to ride him hard. Mark was taking pictures with one hand and wanking with the other as I gave Patrick a good fucking.

As I was on the verge of a second orgasm, Patrick pulled my cheeks apart and slipped a finger up my tight arse.

This did it for me, and my cunt spasmed uncontrollably as I came all over his cock and balls.

Patrick was far from finished, though.

He flipped me round the bedroom from one position to another, giving me a proper seeing-to.

I lost count of the number of orgasms I had.

When Patrick was ready to cum, I got on my knees and wanked him off over my face.

Then Mark came over and spunked in my face too. I ate as much of it as I could!

NICOLA

Nicola likes getting the tools out and having a bit of a play! "Oh no, I don't like working tools, I like the kind that I can stick up inside me!" Good girl! "I've got all sort of toys that I play with, and I'm inclined to put the odd butt plug up my arse and go shopping with it firmly inserted up my bum!" You're almost the perfect Razzle girl Nicola!

# TRUE CONFESSIONS

## SPRAY IT WITH FLOWERS

**T**he other week a delivery man brought a bunch of flowers to my door. It was totally unexpected and no wonder – when I read the card it was obvious they'd gone to the wrong person. Sure enough, the bloke turned up, red-faced, asking could he have them back.

He was so apologetic I couldn't resist winding him up. "So if I hand them back over, what's in it for me?" I said. "My total gratitude," he said.

"You can do better than that," I said. I might have let it go sooner, but he was fucking gorgeous. "What's your name?"

I asked. "Nick," he said. "And what time do you knock off work?" "F-fourish," he said. "Come straight here," I said, "and hopefully I'll have decided what to do with you."

The last thing I expected was for him to actually take me seriously and turn up – hell, I'd have put on sexier undies. But there he was at 4.20. I'd have felt sorry for him but I was too busy fancying him up.

Poor sod still looked a bit awkward, though, so I sat him down with a can of beer. He went through two before I convinced him that no way would I have dropped him in the shit. "Don't let that stop you thanking me for it, though," I said. "If you really want to."

Cute though he was, he couldn't seem to believe a girl like me was gagging for him. I had to plonk myself down next to him on the couch and plant a big smacker on his mouth. But as my tongue slid in between his lips, he stretched out, pulling me on top of him.

I pressed and rubbed myself up against him, my tits squashing flat against his chest. Even through our clothes, I could feel how hard his prick was getting, and I ground against it – I wanted it straining stiff by the time I got inside his pants.

He wanted inside my knickers, too, and now he wasn't shy about it. He didn't even go for my tits before his hand was up my skirt and inside my G-string, three fingers working against my slit. I breathed in sharply and wriggled against him as, one by one, he curled them so they dipped inside my hole, which was nicely juiced up from our snogging session.

It wasn't long before I had one of my own hands wrapped around his rigid prick, working the moisture at its tip all over his head and down the shaft. I sneaked a little taste, but he said, "Suck it later... I really just want to fuck you first."

I wriggled into position on top of him, as he pulled the soaking wet gusset of my knickers to one side. I rubbed

his helmet against my clit then guided it inside my hole, squeezing with my muscles as it sank in. At last I felt the tip of it bump up against the top of my pussy, as his swollen, cum-filled balls touched the cheeks of my arse.

As I rode his prick he banged his crotch hard up and into me, grinding around before letting all but his helmet slip out.

As I rose up, he'd pull back, so when he thrust back in he'd be slamming his entire shaft up my cunt. I got so wet that my fuck juices were pouring out, soaking his thick pubes.

"Okay," he said. "Let's switch positions." I stayed on top of him as he swivelled round, so he was sitting on the couch and I was straddling his lap. Then, holding me

# FESSESSIONS

**“HE WENT IN SO DEEP HIS SWOLLEN BALLS TOUCHED MY ARSE CHEEKS”**

carefully, he had me put my legs right up, so my feet were against his shoulders. He had me by the hips so his cock stayed inside me, but as he spread his legs wide, I arched right back between them, my head dangling over the edge of the seat.

I don't think he could have fucked me deeper, at least that's how it felt, and the dizzier I got the more intense it seemed. Every so often Nick would raise me back up to a sitting position, so the blood would rush to my head, then he'd let me back down again so I was seeing stars even before the most incredible orgasm I've ever had in my life shot through me. I was leaning right back and just when I thought I couldn't cum any more, Nick would give my clit a rub and I'd go off again, spasming around his rock-hard dick.

I was almost ready to beg him for mercy when he stopped, pulling me upright so he could kiss me, his tongue probing around deep inside my mouth.

Then he breathed into my ear, "Still want to do that to my prick?"

He hadn't yet cum, and I was dying for a taste of him, but he wasn't getting it easy. "Excuse me," I whispered. "But who fucked up? Who owed who an apology?" "Fair

enough," he said, and manoeuvred us into a sixty-nine, with me on top. Just when I'd thought my pussy couldn't take another second of his attentions, there it was, splayed over his mouth, his tongue buried deep inside its swollen walls.

And his prick was right in my face, wet and

sticky with my juices. I started by giving the tip of it a little suck, tasting his saltiness as well as myself on it, then, without any warning, I just went right down on him. I've never met a bloke, Nick included, who wasn't stopped in his tracks by a deep throat. I heard him moan as he rammed his tongue down to the root inside me.

He loved it – too bad I had to breathe, but a good, hard sucking on the helmet seemed to do it for him too. I swirled my tongue around his veins and ridges, dipping the very tip of it into his love eye to tease out more pre-cum. I had one hand around his length, wanking him against my tongue, while the other cradled his balls, rolling them gently against each other in his sack.

I knew when he was going to cum – his cock was twitching against my tongue and his balls were bunching up in my hand. I delayed him a couple of times, pulling on them gently, until it seemed he couldn't take any more. "I want to cum on your tits," he groaned – again forgetting why he was there – but he didn't seem too pissed off when I totally ignored him and took every drop of his thick white load down my throat. I was still smacking my lips when I turned around to plant another kiss on his juice-soaked mouth.

"All right, you're forgiven," I teased him. "So long as you come around again sometime!"

Shiver me timbers and all that jazz! "Haha that was awful!". After Tasha had finished laughing, she tells Razzle "I think I would have made a great wench on a pirate ship. My massive tits bursting to get out of those corsets, and letting any guy on board have his way with me whenever he wanted. Although I get bored quickly so they'd have to keep a steady flow of seamen handy to take over once the last guy had finished. Everyone knows I love semen". Who's telling awful jokes now?!

LOUISE

I'm a great believer in being hair-free from the eyebrows down!" Louise tells us. "Why would a guy want to stick his cock in a hairy bush when he can slide it inside a lubed up bare pussy watching every stroke as clear as day. Plus, my fella is much more inclined to go down on me without flossing his teeth on pubes whilst he's at it!"

18-year-old Tina is a bit of a ball-breaker. "I love teasing cock," Tina confesses. "I enjoy wearing short skirts with a fresh pair of white panties on underneath, guys go wild for it. In all seriousness though I'm actually a very good girl, I'll only ever let a boy finger me on a first date. He has to wait until the second date for me to spread my legs so that he can experience what it's like to fuck my tight little pussy.

## Tree-some fun

I've got to be well into a woman to take her home to meet my parents, but Lisa more than qualified. Their place is pretty big, and as she wandered around the garden she noticed the tree house my dad had built for me. There was just about enough space for the two of us, and she fell in love with it. We also realised this was the first time we'd really had to ourselves since arriving. She started snogging me, and I kissed her back passionately. Instantly, she had my cock out and she started wanking it to full hardness, bowing

her head and rasping her tongue against the underside of my helmet. Meanwhile I got her jeans unzipped and had my hand wedged down her knickers, curled between her thighs to probe her twat. She was all hot, moist and lovely. We spread our jackets on the floor and she got on all fours, sticking her gorgeous, peachy arse in the air. I also found it horny that her jeans and knickers were still on, just down around her thighs. It meant she couldn't part her legs more than slightly, but I knew that would just make for a tighter fuck. I

love how she looks with her swollen pussy lips sort of peeking out from between the cheeks of her arse. Then we just enjoyed a slow, deep screw. We were both looking out of the little window, and I noticed a mate of mine, who'd said he'd be around to see us at some point, in the garden wondering where the hell I was. Knowing we could see him as we fucked

but he couldn't see us, and knowing there was just the slightest chance he could come climbing up the tree – as he'd often done as a kid – also added an extra little thrill. Lisa thought this was all hilarious but obviously she couldn't laugh out loud. The thing was, every time she tried to stop herself bursting out with the giggles, she clamped her twat tightly around my prick, which just made for an even better fuck. She's screwed me often enough to know when I'm getting to the brink of cumming, and this time she slid forward off my prick, shuffling around to face me. My prick was jutting up, quivering and glistening with her wetness, and she started

sucking on it, her hand curled around the shaft to wank it against her tongue again. I had to bite on my own finger to muffle my groans, especially when I reached the point of no return. She opened her mouth wide and gave my prick one final wank, and I watched as my white sticky mess shot out to coat her tongue. She winked at me then swallowed the whole lot. Even if we'd disposed of that evidence all right, my parents must have known we'd been up to something, from all the looks and muffled laughs between me and Lisa when we had dinner with them later that evening.

Hannah, are you into American football or just the jumping up and down in a tiny outfit cheerleading bit? "I'm not particularly into either, I just love the cheerleading film *Bring It On* with Kirsten Dunst. The things I would do to that girl!". You'd play with her pom poms you mean and give her an O? "You could say that...."

## TV REPORTER

- PRIVATE

Starring: Sienna Day, Loren Minardi, Blue Angel, Victoria Summers, Carmel Andersson

Hmm, to be honest that's not the most arousing title for a bongo flick I've ever come across – are Private going to launch a series of titles that are just job descriptions, I wonder? Shoe Shop Assistant? Quantity Surveyor? Lab Technician? Anyway, I'm going to give this one the benefit of the doubt because it features some top British sploshers, with Sienna Day as the eponymous reporter (umm, she's really a presenter) who, in the hunt for a promotion gets particularly chummy with her boss. A nice nosh leads to some cowgirl and then a reverse cowgirl anal pounding for the ambitious bint before she's sent on her way with a faceful of harry. Not content with his morning's work, boss Frankie then turns up across town, where he ends up double-tagging raven-haired Lauren. The wanton hussy gets all her holes plundered (often at the same time) before they're done with her in what has to be the film's strongest scene. Still, Blue, Victoria and Carmel keep their ends up well enough too, and in the ultimate happy finish, Sienna gets the job!
